RIGHT HERE FOR YOU • AT YOUR SERVICE

Bedside Prescription Delivery:

When you prepare for discharge from BayCare, the Publix Pharmacy can fill and deliver all of your prescriptions to you right in your room. That way, when it's time to leave the hospital, you'll have all the medications you need to continue your care, and you can get home as quickly and easily as possible.

Convenience:

Once you're home, a Publix pharmacist will call you after discharge to see how you are feeling, and to answer any questions you may have about your medication regimen. When it's time for your next refill, simply visit any of our Publix pharmacies. Your records are in our system, making the transition simple.

Ask your Publix pharmacist to Sync Your Refills®. Get all your prescriptions with just one trip to the Publix Pharmacy each month.

Savings:

The Publix Pharmacy offers a number of prescription medications for FREE:*

- Amlodipine
- Lisinopril
- Metformin
- Montelukast
- Select generic antibiotics

It's easy to switch all of your prescriptions to the Publix Pharmacy. Just bring us your prescription bottles, and we'll do the rest.

Visit publix.com/pharmacy for details.

*Certain restrictions may apply. Please see your pharmacist for details. Publix reserves the right to modify the terms of, and list of medications covered by, the Publix Pharmacy free medications program at any time, and such terms are subject to change without notice.
